PROFILE

Producer and motion designer, trained in animation and still hands-on: motion, 3D, editing and sound. Cares about how the work is made as much as what gets delivered, and brings that eye to every production. Learning and building AI into the pipeline so the craft gets faster without getting lost.

EXPERIENCE

Creative Project Manager, TransPerfect ContentLabs *Apr 2024 to Jul 2026, Barcelona*

- Led 8 to 12 concurrent animation, 3D and branded video productions for Microsoft, Amazon, Pfizer, LVMH and Hermès.
- Managed a team of about 20, from brief to final delivery.
- Ran client reviews in Frame.io and kept scope, timelines and quality on track.
- Built an internal tool that turned review notes into Notion tasks for the team.
- Brought AI into the pipeline to speed up concepting and turnaround.

Operations & Customer Systems, Webhelp *Oct 2023 to Apr 2024, Barcelona*

- Customer operations in a high-volume, KPI-driven team, working in Salesforce.

Producer, We Are Love Int. *Aug 2022 to Sep 2023, Barcelona*

- All motion design and video production for the company's events and workshops: filming, editing and promo videos.
- Ran the live stream at events, video and audio, and managed the camera crew.
- Did the same for a concert with video mapping.

Motion Designer, Fuori Salone, Milan Design Week *2022, Milan*

- Motion and sound design for a surrealist installation, with 2D and 3D animation mapped onto textiles.

Freelance Producer and Motion Designer *Sep 2019 to present*

- Motion design, 3D, video editing, branding, web design and artwork for clients in tech, gaming and advertising.
- Real-time and 3D work in Unreal Engine 5, with MetaHuman and motion capture.
